Sparkling Chenin Blanc 2023

Region	Margaret River, Western Australia
Grower	Colin Bell
Vineyard	Chapman Creek, Wilyabrup
Alcohol	13%
Cellar	2033
Classifications	Vegan

Winemaking: Hand-picked to preserve optimal acidity and flavour, with timing being paramount. The grapes were whole-bunch pressed, chilled, and allowed to settle in tank, retaining only the free-run juice. Fermentation was carried out at a cold temperature using a neutral yeast, followed by stirring on the lees post-fermentation. The wine was tiraged and aged on lees for 10 months before being disgorged and dosed with 3g/L of sugar—just enough to achieve perfect balance with the acidity.

Tasting Note: Bright and inviting, with lifted aromas of citrus, nashi pear, nougat, and freshly cut hay. The palate offers delicate, well-balanced flavours, supported by a long, refreshing acidity and a mouth-filling fine bead. Perfect for celebrations or simply a treat on a Monday night—just because!

Pipsqueak was yet another nickname for our beloved Pip aka “Birdie”.
