**Winemaking:** The hot, dry conditions of 2024 created an exceptional season for Vermentino, providing the perfect environment for vibrant, flavourful fruit. After destemming, the grapes were left on their skins for 24 hours to extract maximum flavour before being gently pressed into stainless steel tanks. The slightly cloudy juice was racked and allowed to ferment naturally, harnessing the wild yeasts present on the fruit. Once fermentation was complete, the wine was aged on its lees for a few months with periodic stirring to enhance texture and complexity. It was then carefully filtered and bottled, capturing its distinctive character and richness.

**Tasting Note:** Bright aromas of lemon zest, pineapple, and lime are complemented by subtle spicy undertones. This wine is medium to light-bodied, offering a delightful mid-palate texture and a striking minerality that lingers beautifully, finishing with a delicate hint of salinity.

*Goodie Goodie harks back to my childhood, when my sister and I often teased each other. We used the term whenever one of us tried to impress our parents by being good.*
